FAMOUS PEOPLE'S TELEPHONE ANSWERING MACHINE MESSAGES

Hello! This is Stanfield Turner, the head of the C.I.A. I ~
I can't answer the phone right now because I'm out! Which
doesn't make much difference anyway, because I wouldn't
answer my phone if I were in! I know what can be done with
wire taps and bugging devices! I will, however, have some-
one get back to you! Don't bother to leave your name and
phone number! We know who you are already... because all
calls coming into this office are traced automatically!
